

Builder Joe Gilbreth combines a rustic exterior with a warm interior in his POH home.

Builder Joe Gilbreth's Today a western cedar-trimmed home

JOE GILBRETH

"Today"
Designer: Jose Mercado
Decorator: Mozelle Marks
Furnished by: Brown Furniture Co.

Builder Joe Gilbreth has built this beautiful western cedar trimmed home, combining a rustic exterior and lavish, warm interior.

The entry leads into a spacious vaulted ceiling

windows. The three bedrooms, two baths and laundry room form a wing to the right of the living area.

The master suite is highlighted with a private patio, spa-like bath and a huge walk-in closet, providing a spacious sleeping section.

The living area includes a den-kitchen area and formal dining with a convenient wet bar.

The two-car garage has easy accessibility to the kitchen to make this the home for casual or formal
